Questions 1-4 only need to be answered if this is for a project or request other than Career Day funding.

1. Goals of Project: Please explain educational goals and how request would improve student learning.
2. Background/timeline: Describe how this fits into German curriculum, work completed to date, and timeline for completing the project.

2016-17

3. Innovation: If there is innovation involved, describe how this project represents an innovative or creative change.

4. Replication/Sharing (for Innovation grants): Describe how your project could be shared or replicated by other German teachers or classes. If you know your requested project (or technology) is already used elsewhere, include any comments/insights from others regarding successes, and any improvements recommended by you or others.

Guidelines for DSSV Grants

- Awards will not exceed the amount of \$300 and project proposals may request lesser amounts, depending on the scope of their project.
- Awards are competitive and subject to the availability of funds as determined by the DSSV.
- Project proposals should be as specific as possible in providing cost details.
- Please submit application to register@dssvwi.org electronically, or send via US Mail to:

DSSV
c/o Dorothy Smaglick
15205 Fieldstone Drive
Brookfield, WI 53005

- Projects that will qualify for consideration include but are not limited to exchange and special programs, and supplemental materials. Priority will be given to requests that clearly demonstrate an ability to reach the greatest numbers of students.
- You will be notified via email and checks will be sent to you at your school address.
