Mayor, City of Milwaukee

May 3, 2015

GREETINGS!

On behalf of the City of Milwaukee, I would like to extend a warm welcome to all participants of the 60th Annual Deutscher Sprach-und Schulverein German Essay Contest and Wisconsin AATG German Exam Award Ceremony. I commend the Deutscher Sprach-und Schulverein for promoting the German language to students and preserving its history and culture throughout the State of Wisconsin.

The Deutscher Sprach-und Schulverein's tradition of honoring the academic accomplishments of students studying the German language is admirable. Along with the rest of the City, I want to show my full support for the Deutscher Sprach-und Schulverein as the organization continues to celebrate the German language and further enrich the youth in our great City.

Once again, congratulations to all participants of the 60th Annual Deutscher Sprach-und Schulverein German Essay Contest and Wisconsin AATG German Exam Award Ceremony. Best wishes for a joyous and successful event!

Sincerely,

Tom Barrett
Mayor

German Language and School Society

The German Language and School Society, Wisconsin, Inc. (DSSV) was founded in Milwaukee on June 9, 1956. It was chartered as a non-political, non-religious, and non-profit educational organization under the laws of the state of Wisconsin.

The goals of the Society have been stated as "promoting and stimulating interest in and understanding of the German language and culture" by means of an annual German Essay Contest.

This contest is open to students of all public and private high schools in the state of Wisconsin who are presently enrolled in a German class. Summer study trips to Germany and scholarships are awarded to those who qualify in these contests. The German Language and School Society conducts its annual contest in conjunction with the comprehensive German language test sponsored by the AATG.

The German Language and School Society is proud to have served the educational needs of our youth for over half a century.

The Society has sponsored 60 annual German Essay Contests.

35,781	Students have participated in these contests
8,705	Awards were presented to the students for outstanding achievement in these contests.
90	Study and vacation trips to Germany have been awarded

Contributions from estates, individuals, foundations and German-American Societies fund this program. The German Language and School Society does not receive any governmental monetary grants.

The German Language and School Society wishes to express their sincere gratitude to the students and teachers who participated, as well as to our members and the many organizations, here and in Germany, who contributed so much to the success of this highly idealistic program.

We Gratefully Acknowledge the Financial Support and Other Assistance Received from the Following Organizations:

Contributing Four-week Study Trips to Germany:

Pädagogischer Austauschdienst
Bundesrepublik Deutschland

Cash Awards

Over these past 60 years the German Language and School Society has had many friends, donors and volunteers. German-American organizations in the community and numerous individuals have generously contributed funds for scholarships.

We continue to provide awards thanks to the support of these contributors:

- Estate of Eleanor Arneson
- Greater Milwaukee Foundation
 - Theodore and Anna Grollmann Fund
 - The Rudolf and Helga Kaden Fund
- German Language and School Society
- Estate of Dr. Ernst Edlhauser
- Fritz Keller Memorial
- German Fest Milwaukee, Inc.
German Fest donates complimentary admission tickets to German Fest 2015 to all contest winners attending the Award Ceremony

The DSSV sincerely thanks these generous donors.

The DSSV also wishes to thank Marquette University High School for making its excellent auditorium available for this award ceremony.

Friedrich "Fritz" Keller

The German Language and School Society recently lost a dedicated leader and dear friend on April 20, 2015 when Fritz passed away at the age of 93. This year, the DSSV offers a special memorial scholarship in his honor.

Fritz was born in Munich, Germany and immigrated to Milwaukee, WI in 1954. He was a founding member of the DSSV in 1956 and devoted countless hours to the DSSV's mission to continue the study of German language and culture in Wisconsin. Drawing on his experiences from WW2, he believed that the study of foreign languages (in this case German) would foster improved understanding and relations between countries. We are most pleased that we have been able to successfully continue this effort 60 years later.

In recognition of his significant efforts, Fritz was awarded the prestigious Service Medal of the Order of Merit of the Federal Republic of Germany, the Federal Republic of Germany Friendship Award, the Order of Merit of the State of Hessen, the Wisconsin Association of Foreign Language Teachers - Anthony J. Gradsnik Award, and the American Association of Teachers Friend of German Award.

Dr. Ernst Edlhauser

We wish to express our gratitude for a generous bequest from the estate of Dr. Ernst Edlhauser, the original Executive Director of Goethe House of Wisconsin, who passed away on December 5th, 2013, at the age of 88. He was born on February 1st, 1925 in Vienna, Austria. In 1957, he came to Milwaukee with his wife, the late June Edlhauser (Helgason).

Dr. Edlhauser served as the long-time director of Goethe House Wisconsin, from 1959 until 1995. Previously he had worked for the U.S. Embassy in Vienna and the Atomic Energy Agency of the United Nations. He was the recipient of awards (Order of Merit, First Class) by both the Austrian and West German governments, recognizing his services for the advancement of German language and culture.

On January 24th, 1961 the Goethe House opened to the public, and for over three decades thousands of visitors met Dr. Edlhauser as the face of Goethe House. The DSSV appreciates Dr. Edlhauser's extensive contribution to the study of the German language by Wisconsin students and adults.

German Language Contest Description and Awards

AATG Test and Awards

Each year, German students from Wisconsin high schools are eligible to participate in the American Association of Teachers of German (AATG) sponsored comprehensive National German Language Test administered at high schools throughout Wisconsin by the German teachers at their schools. The Level 2 test is taken by students who have two years of high school German. The Level 3 test requires three years of study, and Level 4 requires 4 or more years of study.

The Wisconsin AATG awards medals to participants with scores over 90 and also invites students achieving the highest scores to participate in a selection committee interview held in Wisconsin during March of each year. Based on students' test scores and interview results, the AATG will nominate one or two students for four week summer study trips to Germany. The national AATG office evaluates the nominations from each state and determines the final winners of the Pädagogischer Austauschdienst, (PAD - German Student Exchange Program) sponsored 4 week summer study trips to Germany. The number of study trips sponsored by PAD as well as the number of these trips allocated by the national AATG office to German students in Wisconsin may vary from year to year.

DSSV Essay Contest and Awards

The DSSV sponsors over one hundred cash awards annually for students with excellent performance on the AATG test.

In addition, students taking the Level 3 or Level 4 AATG exam are eligible to participate in the DSSV-sponsored German Essay contest. The essays written by these students are evaluated by a German Department faculty member from a Wisconsin university. Students who have taken both the AATG test and have written a DSSV essay are eligible to compete for a PAD sponsored DSSV legacy award four week study trip to Germany as well as additional cash and book prizes.

The DSSV award trip has been provided annually by PAD through its long-standing relationship with the DSSV. The PAD sponsored trips are administered in the US by the AATG (American Association of Teachers of German) and in 2015, for the first time in over 30 years, the AATG National Headquarters grant this long-standing honor to the DSSV trip award nominee.

The AATG did grant a Senior Trip Award to a Wisconsin senior in 2015. Only a limited number of Senior Trip Awards are granted each year and we are proud that a Wisconsin student earned this prestigious award.

Students with the top AATG test scores combined with the best DSSV essay performance are invited to participate in selection committee interviews from which the DSSV trip prize nominee and a runner-up are determined.

These personal interviews are conducted every year in March by a panel of University faculty members, AATG members, and representatives of the DSSV. **Students must register for and participate in a personal interview in order to be selected as a trip winner.**

These interviews are held in conjunction with the selection committee interviews for the AATG trip(s) on the same date and at the same Wisconsin location. While all students participating in the AATG test are eligible for ribbons, books and cash awards, only students who have written a qualifying DSSV essay and taken the AATG test are eligible for the DSSV sponsored trip to Germany.

German students throughout the State are strongly encouraged to take advantage of this unique opportunity to compete for a study trip to Germany.

Wisconsin's high school German teachers are asked to encourage their students to participate in the DSSV Essay Contest. These teachers are also requested to facilitate their students' participation by disseminating contest information and administering the essay contest at their respective schools.

We invite you to visit the DSSV's website. This site provides DSSV contest information for Wisconsin German students, teachers and parents. It also provides information related to the study of German in Wisconsin High Schools.

Is the Study of German Still Relevant in Today's American Culture and Society?

In this age of globalization, the study of a foreign language is more important for our students than ever. With cost constrained education budgets, many school districts are unfortunately cutting their foreign language programs. One question sometimes posed is whether the study of German is still relevant in Wisconsin.

Many Wisconsin high schools have excellent German programs, outstanding teachers and strong enrollments that deserve to be continued. Yet, even some of the schools from which today's prize winners come are considering reductions in their German programs.

If we want to see the study of the German language continue in Wisconsin, it will take a concerted effort on the part of students, parents, teachers and organizations such as the DSSV and the AATG. We all need to do our part to successfully retain the German programs in our schools. What can we as individuals do? Stay informed as to the programs your school is planning to retain and which are being considered for reduction. Don't wait until after a decision is announced. Talk to your students' German teacher. Get involved and make your voice heard with your school principals and school boards.

The DSSV is committed to furthering the study of German in Wisconsin, as it has been since 1956. It requires local action from concerned students, prospective German students, parents, teachers, and community members. This has made the difference in numerous communities and schools throughout the state.

Please watch the DSSV's website www.dssvwi.org for more information on this topic. Parents and teachers, please keep the DSSV apprised of what's happening at your schools by emailing us through the web site. We will share information, access to resources, and success stories related to keeping the study of German alive in Wisconsin.

The following is an article entitled "Why Study German" from Goethe Institute web site www.goethe.de

We are sharing it with you here as just one of many fine examples as to why the German language is still so very interesting, fun and advantageous to those who can speak it.

15

Communicate with over 229 million people worldwide

Why Study German?

German is the official language in seven countries of the European Union: Germany, Austria, some regions of Switzerland and Belgium, Luxembourg, Liechtenstein and Italy (Südtirol). It is the second most popular language to learn in the EU and ranks among the top 10 most frequently languages spoken in the world. German plays an important role as a foreign language in many countries as in 2010 more than 14 million people worldwide learned German.

Travel: Millions of foreign tourists visit German-speaking countries every year. They want to see and experience King Ludwig's castles in Bavaria, the Austrian and Swiss Alps, German beer at the Oktoberfest or the stunning Rhine river. Speaking and understanding German will give you a chance to get to know Germans, their culture and their history at first hand. Germans are the most traveled people in the world – therefore, knowledge of German will also give you a great advantage with employment in the travel, hospitality or airline industry.

16

Increase your opportunities in the global economy: Germany has the largest economy in the European Union and the fourth largest in the world. Germany is home to numerous international corporations and most multinational German companies are represented in the United States.

Get to know a great European culture: German is a leading language of science, literature, philosophy, theology, history, music, film and art. Becoming acquainted with artists, composers, scientists, great thinkers and their contributions is very rewarding if done in their language. German is, for example, the language of Goethe, Kafka, Kant, Hegel, Nietzsche, Mozart, Beethoven, Luther, Marx, Freud and Einstein. Almost 80,000 new books are published in Germany each year (18% of worldwide publishing) making Germany the third largest publisher of books in the world after the USA and Japan.

Study in Germany: The German education system has a long tradition (the oldest German university, Ruprecht-Karls-Universität in Heidelberg, was founded in 1386) and a good international reputation. Germany has been one of the most important destination countries for international students, with nearly 250,000 students from abroad studying in Germany each year—over 10 percent of the total student population. In the new research undertaken by the British Council which examined the countries' three categories of higher education: openness; access and equity; quality assurance and degree recognition, Germany came in the first place.

DSSV Career Fair for German Language Students – February 2015

In 2015 the DSSV held it's first **German Language Career Fair** for German language students in Wisconsin.

German companies that hire candidates with proficiency in the German language were present to meet with and advise high school and college students about working for a global enterprise. Colleges and universities offering German programs and study abroad programs were also represented.

Presentations by and video interviews with college graduates now utilizing their knowledge of German to pursue careers in business, science, engineering and the arts gave students insights into how their German language education can be applied to a successful career.

The Career Fair was attended by over 250 high school students and afforded these students a unique opportunity to understand their options with regard to studying German at the college level, study abroad programs, internships and ultimately the careers available to them upon graduation.

We want to thank all whose efforts made this first ever endeavor by the DSSV a huge success. Our special thanks go out to Michael Koch from Carroll University, who organized this excellent event.

More about this event is available on Facebook. Also watch the DSSV website and German Career Day Facebook page where we will announce the next Career Fair.
